To Whom It May Concern,

We are a US based television production company, which provides television production and satellite transmission services for worldwide coverage of live sports, special events, news, etc.

To that end, our company contracted Pygmalion Agency LLC - Center for international business assistance in Russia for coverage of this year's **FIFA World Cup 2018**. The services were contracted for our anchor client, TV Azteca Mexico. Pygmalion Agency LLC provided us with excellent service of commercial/business car rentals, multi-language interpreting, and business support in Moscow, Rostov-on-Don, Ekaterinburg, and Samara. Their personnel is very experienced, knowledgeable, and reliable.

In sum, Pygmalion Agency LLC executed a perfect service during the World Cup. It is with great pleasure and gratitude that I would like to thank Pygmalion Agency LLC for their pro-active commitment to the project. Therefore, is with great confidence that I recommend their service for any and all of your upcoming business assistance requirements throughout Russia and beyond.

Please contact me if I can be of further assistance.

Best Regards,
